Thank you so much for your nice letter concerning my new appointment. I want to do this job well. I know how important it is. Solid professionals like you have left a great legacy for this Agency. Now as we adjust to the new future with some of its uncertainties, I feel confident that we will find as many opportunities as we do problems.

I have always prized our association. Let's keep in touch. I know I would benefit from your views and opinions as we move into the future.

All the best.

Faithfully yours,

E. H. Knoche
